

# DELICIOUS NEVER TASTED SO DELICIOUS!

**W.D.R.**

- Preheat oven to 425
- Remove pizza from packaging and place pizza (and baking tray it comes on) on the center rack of the oven. Make sure the tray does not touch the sides of the oven.
- Check pizza after 3 minutes and puncture any bubbles, rotate pizza for more even baking if desired. Be careful.
- Generally, pizza is done when the crust is golden brown and the cheese is melted. Average baking time is 12-18 minutes. Exact time will vary depending on ovens and individual preference in crusts.
- When pizza is cooked to your liking, use an oven mitt to support the bottom of the pizza, remove and let stand for 3 minutes. Cut, serve and enjoy your Viera Pizza!
